6 Referee Fixture Secretary Report:

Mike Riley Premiership referee attended the Fleet on Monday 16th November and gave a very interesting and informative talk to all referees under the age of 25. The evening was very well attended with all the County Referee Development Officers in attendance, to offer help and advice to the young referees. The evening also included parents of the referee's whose input was very valuable, giving their view of what it is like to stand on a touchline, feedback from the majority of parents said listening to abuse their children had to take from Spectators. The following week Steve Bennett also a Premiership referee attended the Spalding R.A. again this was very well attended with referees travelling from Peterborough and Stamford. As these meeting's with the young referee's proved such a huge success the Chairman informed Members that as the bulk of our referee's are Northants and Lincs affiliated, would they consider the League giving a donation to the two R.A. organisations to help finance further evenings of this nature. Members agreed a donation of £75 should be given to both Peterborough and Spalding Referee Association's.
